

**Short Bibliography:**

Larry is a qualified pharmacist and having worked initially as a community pharmacist, he joined the Health Products Regulatory Authority (HPRA, formerly known as the Irish Medicines Board) in 2004. Larry worked in the pharmaceutical assessment section, which reviews the quality aspects of marketing authorisation applications for almost 12 years before being appointed to the role of Scientific Affairs Manager in the Quality, Scientific Affairs and Communications Department in April 2016. As part of this role, Larry is actively involved in the implementation of a number of initiatives related to the HPRA's strategic goal to support innovation including the HPRA's Innovation Office.
